To THE Secretary,

Local Self Government Department,

Fort Saint George Madras

Through the President District Board

Bellary

Sir,

Subject-Rural Medical Practitioner deputed for
Car Festival duty at Ujjini.

I have the honour to bring to your kind notice that ^{the} District Health Officer Bellary requested me to depute one Medical Officer either of the Rural Dispensary at Kottur or the Medical Officer Kudligi for the Car Festival at Ujjini from 12-5-29 to 14-5-29. The Board in its Resolution No. 29 Dated 30-3-29 sanctioned the arrangements to be made at Ujjini and Hampi Festival as per last year. (a copy submitted herewith). Ujjini is 8 Miles from Kottur and 14 Miles from Kudligi. As Kottur is nearer than Kudligi, the Rural Medical Practitioner Kottur was deputed to Ujjini Festival duty.

2. Now the District Inspector of Local Fund Accounts Bellary has taken objection in the Audit Report for 1928-30 in para II (copy enclosed) for deputing the Rural Medical Practitioner of Kottur on the ground that it is objectionable under G.O. No. 1532, P.H. Dated, 22-10-24. It is not stated anywhere in this G.O. that the services of a Rural Medical ~~Officer~~ Practitioner should not be used for a public purpose as long as he is willing to do the public service. The Rural Medical Practitioner is a proper person to do Rural Service in Rural areas. Hitherto the Rural Medical Practitioner of Kottur was deputed for the same purpose during the years 1926-27 and 1927-28. ^{There} was no such audit objection at any time before.

3. I am of opinion that it is not objectionable to use the service of a Rural Medical Practitioner if he is willing to do the work

in the interest of bona fide Public Service without any extra remuneration from the funds of the Taluk Board except T.A.

Under the circumstances I humbly request that the Government be pleased to accord Sanction for the payment of T.A. amounting to Rs. 7-8-0 if the objection is valid and request for a definite ruling on the subject for future guidance.

I have the honour to be

Sir

Your Most Obedient Servant

Abanubhai

Vice President Incharge

Forwarded.

2. The utilization of the services of a rural medical practitioner for bona fide purposes of the nature of "Festive Duty" "Cholera or plague inoculation duty" for emergency public service - should be reasonably allowed.

3. The specific sanction applies for may be kindly accepted and a general order to govern such cases may be issued.

II. Rural Medical Practitioner deputed for festival duty.

Mr. R. Venkata Rao, the Rural Medical Practitioner at Kottur was deputed to the festival duty at Ujjain in Resolution No 13 Dated 27th August 1929 and was paid a travelling Allowance of Rs. 7-8-0 on Voucher 19 of September 1929. The Sanction of the Government was not obtained to the deputation and to the incurring of such expenditure. This is opposed to G.O. No 1522, P.H. Dated the 22nd October 1924.
